Re: United States v. Dennis Michael Nouri et al.  
07 Cr. 1029 (DC)

Dear Judge Chin:

Counsel for Dennis Michael Nouri and the Government respectfully request a 60-day postponement of the status conference scheduled on March 13, 2008 in the above-captioned case. The Government is in the process of producing approximately 10 additional CD-Roms containing thousands of pages of additional discovery, and approximately 15 boxes of additional hard-copy documents. In addition, counsel for Dennis Michael Nouri will be in trial in March on another case in New Jersey for approximately four to five weeks. Counsel for Mr. Nouri conferred with counsel for the other defendants in this case and learned that all other counsel consent to the postponement. Should the Court grant the postponement, the Government moves for the exclusion of time until the next conference date.

Respectfully submitted,

MICHAEL J. GARCIA  
United States Attorney
